

Optical Fiber Direct Buried Cable GYFTA53 Steel Tape Armored Double Jacket

Our Product Introduction

Basic Information

- Place of Origin: CHINA
- Brand Name: PUNAISGD/CABLEPULS
- Certification: ISO/CE/ROSH
- Model Number: GYFTA53
- Minimum Order Quantity: 2km
- Price: negotiable
- Packaging Details: wooden/ spool drum
- Delivery Time: 5-25days
- Payment Terms: 30%TT as deposit,70%Balance before shipping.
- Supply Ability: 100km

Product Specification

- Installation Method: Direct Buried
- Sheath Material: PE
- Number Of Cores: 72
- Corrosion Resistant: Yes
- Armor Type: Steel Tape/Steel Wire/Aluminum Wire
- Moisture Resistant: Yes
- Highlight: Double Jacket Direct Buried Cable,
Steel Tape Armored Direct Buried Cable,
Double Jacket Optical Fiber Cable

Product Description

Directly Buried Optical Fiber Cable GYFTA53 Double Armor Double Jacket

GYFTA53 cable is a robust, outdoor fiber optic cable designed for extensive, high-capacity communication systems. It is well-suited for both aerial and underground use.

This cable utilizes a central tube configuration with stranded loose tubes and incorporates a water-blocking gel.

The loose tubes safeguard the fibers while facilitating straightforward installation and maintenance.

The water-blocking gel enhances the cable's resistance to moisture, making it fit for deployment in challenging environmental conditions.

Additionally, the GYFTA53 cable is equipped with a corrugated steel tape armor that provides substantial physical protection against potential threats such as rodent damage, moisture, and other external hazards.

This feature makes it ideal for environments where the cable may be exposed to damage.

Available in various fiber counts to accommodate different needs, the GYFTA53 cable can be customized with various sheath materials to suit specific environmental demands, including UV resistance and fire retardancy.

In summary, the GYFTA53 cable is a dependable and durable option for long-distance, high-capacity fiber optic networks, offering exceptional performance and protection in outdoor settings.

GYFTA53

Material description:

Designation	Material
Loose tube	PBT
Filler	PE
Outer jacket	HDPE

Structure size:

Item	Size
Structure	1+10
Loose tube diameter	2.5±0.1 mm
Nominal Thickness of outer jacket	1.8 mm
Cable diameter	18.9±0.5 mm
Cable weight	295 kg/km

Product Paramenters

Fiber count	Structure	Fibers per tube	Loose tube diameter (mm)	CSM diameter / pad diameter (mm)	Thickness of inner jacket (mm)	Thickness of outer jacket (mm)	Cable diameter (mm)	Cable Weight(kg/km)

COMPANY PROFILE

ABOUT FIBER

Guangzhou fiber cablepuls co.,ltd

Fiber cablepuls is one of the high-tech fiber optic cable factories in China that can produce the most complete series of fiber optic cables, equipped with the most advanced fiber optic cable manufacturing, and have the most advanced fiber optic connector production and testing equipment in China.

The factory has obtained SGS ISO9001:2015, ISO14001:2004 and GB/T28001:2001 successively obtained international system certification.

Over the past 12 years, we have provided optical cable products and comprehensive solutions to more than 90 countries and regions around the world, and have received unanimous praise from customers, such as foreign telecom departments of the United States, Mexico Telecom, Thailand Telecom, Philippines Telecom, etc.; domestic customers include: China Mobile, the General Administration of Radio, Film and Television, Lenovo, and many other large national enterprises.

FAQ

Why Choose Us?

1.Manufacturer Information

We are a manufacturer based in Guangzhou, China, established in 2011, and we focus on the domestic market (100.00%). Our factory employs approximately 11-50 people.

2.Quality Assurance

Pre-Production Sample: We provide a sample for approval before commencing mass production.

Final Inspection: We conduct a thorough inspection before shipping to ensure quality.

International Shipping: Yes, we can ship products to your country. If you do not have a shipping forwarder, we can assist with this as well.

OEM Services

We accept all OEM orders. Simply contact us with your design, and we will offer a competitive price and create samples for you.

Services We Offer

Delivery Terms: FOB, CIF, EXW

Accepted Payment Currencies: USD, EUR, JPY, CAD, AUD, HKD, GBP, CNY, CHF

Accepted Payment Methods: T/T, L/C, D/P, D/A, PayPal, Western Union, Escrow

Languages Spoken: English, Chinese
