Product Specifications

Attribute	Value
Item No	Patch Cord
Color	Green, Blue, Red, Yellow, Gray, Aqua, Violet
Fiber Mode	SM, MM, OM3, OM4
Connector Port	LC, SC, FC, ST etc
Manufacturer	Yes
Standard Color	Yellow or Customized

Product Description

FTTH Products Fiber Patch Cord SC APC To LC APC Single Mode 3.0mm Yellow LSZH 3Meters

What is Fiber Patch Cord?

A fiber patch cord, also known as a fiber jumper or fiber patch cable, is a length of fiber optic cable that is terminated with connectors at both ends. The main purpose of a fiber patch cord is to provide a convenient and flexible connection between fiber optic equipment, such as network switches, routers, or fiber optic cables.

Fiber patch cords serve as the essential connection point between fiber optic network components, allowing quick and easy patching and rerouting as needed.

Key Features

- Low insertion loss and high return loss
- Excellent mechanical endurance
- High credibility and stability
- Good repeatability and exchangeability
- Environmentally stable

Applications

- Fiber optic communication networks
- Optical access network
- Data processing networks
- Premise installations
- GPON, LAN, FTTH, WAN, Test & Measurement

Production Supplier Profile

COMPANY PROFILE

ABOUT FIBER
Guangzhou fiber cablepuls co.,ltd

Fiber cablepuls is one of the high-tech fiber optic cable factories in China that can produce the most complete series of fiber optic cables, equipped with the most advanced fiber optic cable manufacturing, and have the most advanced fiber optic connector production and testing equipment in China.

The factory has obtained SGS ISO9001:2015, ISO14001:2004 and GB/T28001:2001 successively obtained international system certification.

Over the past 12 years, we have provided optical cable products and comprehensive solutions to more than 90 countries and regions around the world, and have received unanimous praise from customers, such as foreign telecom departments of the United States, Mexico Telecom, Thailand Telecom, Philippines Telecom, etc.; domestic customers include: China Mobile, the General Administration of Radio, Film and Television, Lenovo, and many other large national enterprises.
