### Product Description

#### Fthh Products Fiber Patch Cord SC APC To LC APC Single Mode 3.0mm Yellow LSZH 3Meters

##### What is fiber patch cord?

A fiber patch cord, also known as a fiber jumper or fiber patch cable, is a length of fiber optic cable that is terminated with connectors at both ends. The main purpose of a fiber patch cord is to provide a convenient and flexible connection between fiber optic equipment, such as network switches, routers, or fiber optic cables. Overall, fiber patch cords serve as the essential connection point between fiber optic network components, allowing quick and easy patching and rerouting as needed.
