Product Description

FTTH Fiber Patch Cord Customized Simplex OS2 Single Mode SC-SC UPC

Product Specifications

Item No	Patch Cord
Color Options	Green, Blue, Yellow or Customized
Fiber Mode	Single Mode (SM)
Connector Port	LC, SC
Manufacturer	Yes

Product Overview

FTTH Products Fiber Patch Cord is a customized simplex OS2 single mode SC-SC UPC fiber optic patch cable designed for high-performance network connections.

What is a Fiber Patch Cord?

A fiber patch cord, also known as a fiber jumper or fiber patch cable, is a length of fiber optic cable terminated with connectors at both ends. These cords provide flexible connections between fiber optic equipment like network switches, routers, and other fiber optic cables, serving as essential connection points for quick patching and rerouting.

Key Features

- Low insertion loss and high return loss
- Excellent mechanical endurance
- High credibility and stability
- Good repeatability and exchangeability
- Environmentally stable performance

Applications

- Fiber optic communication networks
- Optical access networks
- Data processing networks
- Premise installations
- GPON, LAN, FTTH, WAN applications
- Test & Measurement equipment

ABOUT FIBER

Guangzhou fiber cablepuls co.,ltd

Fiber cablepuls is one of the high-tech fiber optic cable factories in China that can produce the most complete series of fiber optic cables, equipped with the most advanced fiber optic cable manufacturing, and have the most advanced fiber optic connector production and testing equipment in China.

The factory has obtained SGS ISO9001-2015, ISO14001-2004 and GB/T28001-2001 successively obtained international system certification.

Over the past 12 years, we have provided optical cable products and comprehensive solutions to more than 90 countries and regions around the world, and have received unanimous praise from customers, such as foreign telecom departments of the United States, Mexico Telecom, Thailand Telecom, Philippines Telecom, etc.; domestic customers include: China Mobile, the General Administration of Radio, Film and Television, Lenovo, and many other large national enterprises.

Manufacturer Profile

We are a professional manufacturer of high-quality fiber optic patch cords, specializing in customized solutions for various network applications. Our products meet industry standards for performance and reliability.
