GYFXTBY flat optical cable 24 cores single mode cable FTTH non metalic bundle tube

Our Product Introduction

Basic Information

- Place of Origin: GUANGZHOU/CHINA
- Brand Name: PUNAISGD/CABLEPULS
- Certification: ISO/CE/ROSH
- Model Number: GYFXTBY
- Minimum Order Quantity: 2km
- Price: negotiate
- Packaging Details: Wooden Spool /drum
- Delivery Time: 5-25 days
- Payment Terms: 30% TT as deposit, 70% Balance before shipping
- Supply Ability: 100km

Product Specification

- Mode: GYFXTBY
- Strengthen Core: FRP
- Fiber Protection: Loose Tube
- Cable Type: Outdoor
- Jacket Material: PE
- Cable Color: Black
- Highlight: **24 cores single mode cable**, **24 cores air blowing cable**, **frp air blowing cable**

Product Description

GYFXTBY Outdoor 12 24 core Single Mode Aerial Optical Fiber Cable

This cable features a central hollow tube filled with a synthetic, oil-based substance that is non-nutritive to fungi and does not conduct electricity. It is a clean, consistent substance free from impurities or foreign objects. Alongside the tube, there are two Fiber Reinforced Plastics (FRP) rods that run in the same direction, all encased in a UV-resistant black polyethylene (PE) jacket.

Product Details

Products Structure

Streamlined Design for Independent Support: The cable boasts a compact design that enables it to support itself without external assistance.
Pair of Fiber Reinforced Plastic (FRP) Reinforcements: It includes two FRP reinforcements that are designed to extend the cable's reach over long spans.
Low Weight and Narrow Profile: The cable's light weight and slender design make it straightforward to set up, reducing the physical effort needed for installation.
Simplified Installation Process: The ease of handling due to its light weight and small diameter contributes to a more straightforward installation experience.
Superior Fiber Protection: The gel-filled loose tube ensures that the fiber is well-protected, providing a high level of durability and resistance to environmental factors
