

GYTZA53 Double Armored Direct Buried Fiber Optic Cable 25 Year Warranty

Our Product Introduction

for more products please visit us on fiberoptical-cables.com

Basic Information

- Place of Origin: GUANGZHOU/CHINA
- Brand Name: PUNAISGD/CABLEPULS
- Certification: ISO/CE/ROSH
- Model Number: GYTZA53
- Minimum Order Quantity: 2km
- Price: negotiate
- Packaging Details: Wooden Spool /drum
- Delivery Time: 5-25 days
- Payment Terms: 30% TT as deposit, 70% Balance before shipping
- Supply Ability: 100km

Product Specification

- Waterproof: Yes
- Armored Type: Double Armored
- Jacket Material: LZSH
- Installation Method: Direct Buried
- Armored: Aluminum And Steel
- WARRANTY: 25 Years
- Highlight: **Directly Buried Fiber Optic Cable,
Flame Retardant Fiber Optic Cable,
Buried Fiber Optic Underground Cable**

Product Description

GYTZA53 Fiber Optic Cable Underground Flame Retardant Directly Buried

Product Specifications

Waterproof	Yes
Armored Type	Double Armored
Jacket Material	LZSH
Installation Method	Direct Buried
Armored	Aluminum and Steel
WARRANTY	25 Years

Product Description

Exclusively designed for tight cable frameworks, maintaining integrity under mechanical demands including extension and bending

Loose tube features excellent hydrolysis resistance and high tensile properties, completely safeguarding enclosed fiber optics

Features wrinkle-resistant, dual-sided plastic-coated steel belt with HDPE cladding, optimized for soil burial applications

Outer PA12 nylon shield effectively deters pest damage, ensuring reliability in demanding environments

Complete core filling techniques guarantee superior water-tightness after burial

Technical Parameters

Fiber count	Structure	Fibers per tube	Loose tube diameter(mm)	CSM diameter/pad diameter (mm)	Thickness of inner jacket (mm)	Thickness of outer jacket (mm)	Cable diameter (mm)	Cable Weight (kg/km)
4	1+6	4	1.7+0.1	1.8 /1.8	0.9 ± 0.1	1.8 ± 0.1	12.8 ± 0.5	164
6	1+6	6	1.7+0.1	1.8 /1.8	0.9 ± 0.1	1.8 ± 0.1	12.8 ± 0.5	164

Key Features

- Superior mechanical and thermal resistance for demanding environments
- Loose tube material features strong hydrolysis resistance and robust strength
- Special protective coating safeguards fibers from environmental factors
- Tight cable arrangement prevents casing deformation during installation

Factory & Production

COMPANY PROFILE

ABOUT FIBER

Guangzhou fiber cablepul co.,ltd

Fiber cablepul is one of the high-tech fiber optic cable factories in China that can produce the most complete series of fiber optic cables, equipped with the most advanced fiber optic cable manufacturing, and have the most advanced fiber optic connector production and testing equipment in China.

The factory has obtained SGS ISO9001-2015, ISO14001-2004 and GB/T28001-2001 successively obtained international system certification.

Over the past 12 years, we have provided optical cable products and comprehensive solutions to more than 90 countries and regions around the world, and have received unanimous praise from customers, such as foreign telecom departments of the United States, Mexico Telecom, Thailand Telecom, Philippines Telecom, etc.; domestic customers include: China Mobile, the General Administration of Radio, Film and Television, Lenovo, and many other large national enterprises.

OUR PRODUCTION CAPACITY AND QUALITY CONTROL SYSTEM

Frequently Asked Questions

Q1: What are the advantages of your price?

A1: We operate our own factory with professional machinery equipment. We offer competitive pricing with 1%-10%

lower than comparable products while maintaining identical quality parameters.

Q2: What is your quality advantage?

A2: We strictly adhere to ISO9001 quality management standards, committed to "Enough Cores, Enough Meters, High Quality, High Performance" to deliver superior products and services.

Q3: Do you support customized brands?

A3: Yes! We welcome OEM services and offer free logo customization for bulk orders.

Q4: What are the benefits of working with you?

A4: New customers receive special support, with long-term partners eligible for global agent status and additional discounted pricing.
