

GJXH Indoor FTTH Fiber Optic Cable G652D 1-12 Core LSZH

Our Product Introduction

Basic Information

- Place of Origin: GUANGZHOU/CHINA
- Brand Name: PUNAISGD
- Certification: ISO/CE/ROSH
- Model Number: GJXH
- Minimum Order Quantity: 1km
- Price: negotiate
- Packaging Details: Wooden Spool /drum
- Delivery Time: 5-25 days
- Payment Terms: 30% TT as deposit, 70% Balance before shipping
- Supply Ability: 100km

Product Specification

- Model Number: GJXH
- Type: Fiber Optic Cable
- Cable Structure: Tight Buffer Self-support FTTH Cable
- Fiber Count: 1-12
- Material Of Jacket: UV And Flame Resistant LSZH
- Strength Member: Two Parallel Steel Wire
- Highlight: indoor fiber optic cable,
2 km indoor fiber optic cable,
FTTH indoor fiber optic cable

Product Description

GJXH Indoor Fiber Optic Cable 2 Km Reel Indoor Cable FTTH G652D

Product Specifications

Attribute	Value
Model Number	GJXH
Type	Fiber Optic Cable
Cable Structure	Tight buffer Self-support FTTH cable
Fiber Count	1-12
Material of Jacket	UV and flame resistant LSZH
Strength Member	Two Parallel Steel Wire

Product Overview

Fiber optic drop cables feature a central optical communication fiber, flanked by two parallel reinforcements made of either non-metallic materials (like FRP) or metal. The entire structure is encased in a black or colored PVC or LSZH jacket, which is flame retardant and low-smoke.

Cable Structure

Technical Specifications

Fiber Cores	Cable OD(mm)	Cable/Weight (kg/km)	Tensile Strength(long/short term)	Crush Resistance(long/short term N/100mm)	Bending Radius Static/Dynamic mm
1	(2.0±0.2)* (5.0±0.2)	20	60/120	300/1000	15/35
2	(2.0±0.2)* (5.0±0.2)	20	60/120	300/1000	15/35
4	(2.0±0.2)* (5.5±0.2)	21	60/120	300/1000	15/35

6	(2.0±0.2)* (6.0±0.2)	22	60/120	300/1000	15/35
---	-------------------------	----	--------	----------	-------

Key Features

- Low-bend sensitivity fiber ensures high bandwidth and excellent transmission qualities
- Two parallel FRP strength members provide effective crush resistance
- Additional steel wires enhance tensile strength
- Lightweight design with simple structure for easy installation
- Unique flute design simplifies stripping and splicing
- Outer sheath is low smoke, halogen-free, and flame-retardant

Production & Transportation Process

01
Standard production Line,strict SOP
production procedure

02
Attenutation test for each fiber by OTDR after
production,and QC for every detail

03

**2km, 3km or 4km per drum Strong wood
drumsealed with wood bars**

04

**Wooden barrel packaging, can be customized,
using high-quality raw materials for transportation**

Introduction to ADSS Fiber Cable

ADSS fiber cables are highly resistant to environmental factors such as wind, ice, and UV radiation, making them suitable for long-distance communication networks.

How Much You Know About GYXTW-12B1?

We have established a complete set of independent laboratories, strictly in accordance with the IEC60794

What Is the Difference Between GYFTY Cable and Other Types of Fiber Optic Cables?

GYFTY Cable: Provides high flexibility, easy handling, and routing, making it convenient for installation and maintenance. Other Fiber Optic Cables: May vary in flexibility based on their design and construction, but GYFTY cable is known for its flexibility and ease of use.

COMPANY PROFILE

ABOUT FIBER

Guangzhou fiber cablepuls co.,ltd

Fiber cablepuls is one of the high-tech fiber optic cable factories in China that can produce the most complete series of fiber optic cables, equipped with the most advanced fiber optic cable manufacturing, and have the most advanced fiber optic connector production and testing equipment in China.

The factory has obtained SGS ISO9001-2015, ISO14001-2004 and GB/T28001-2001 successively obtained international system certification.

Over the past 12 years, we have provided optical cable products and comprehensive solutions to more than 90 countries and regions around the world, and have received unanimous praise from customers, such as foreign telecom departments of the United States, Mexico Telecom, Thailand Telecom, Philippines Telecom, etc.; domestic customers include: China Mobile, the General Administration of Radio, Film and Television, Lenovo, and many other large national enterprises.

Frequently Asked Questions

Why choose us?

We are manufacturer located in Guangzhou, China, operating since 2011. We primarily serve the domestic market with a team of 11-50 skilled professionals dedicated to quality fiber optic cable production.

How do we guarantee quality?

We implement strict quality control measures including pre-production samples and final inspection before shipment to ensure all products meet our high standards.

Can you send products to my country?

Yes, we can ship worldwide. If you don't have your own shipping forwarder, we can arrange transportation for you.

Can you do OEM for me?

We accept all OEM orders. Contact us with your design requirements and we'll provide competitive pricing and samples.

What services do we provide?

We offer flexible delivery terms (FOB, CIF, EXW), accept multiple currencies (USD, EUR, JPY, etc.), and various payment methods (T/T, L/C, PayPal, etc.). Our team communicates in English and Chinese.
