

16 Core FTTH Fiber Terminal Box with SC/LC/ST/FC Adapters

Our Product Introduction

for more products please visit us on fiberoptical-cables.com

Basic Information

- Place of Origin: GUANGZHOU/CHINA
- Brand Name: PUNAISGD/CABLEPULS
- Certification: ISO/CE/ROSH
- Model Number: Optical Fiber Terminal Box
- Minimum Order Quantity: 100pcs
- Price: negotiate
- Packaging Details: plastic
- Delivery Time: 5-25days
- Payment Terms: 30%TT as deposit,70%Balance before shipping.
- Supply Ability: 10000pcs

Product Specification

- Item No: Optical Fiber Terminal Box
- Fiber: 16 Cores
- Factory: Yes
- Stripper Material: Plastic
- Connector: SC/LC/ST/FC-based Connector
- Highlight: **16 Core Fiber Terminal Box,
16 Core Optical Fiber Terminal Box,
FTTH Box With Adapter**

Product Description

FTTH Products 16 Core Optical Fiber Terminal Box FTTH Box With Adapter

Product Specifications

Attribute	Value
Item no	Optical Fiber Terminal Box
Fiber	16 cores
Factory	Yes
Stripper Material	Plastic
Connector	SC/LC/ST/FC-based connector

Product Description

This optical fiber terminal box serves as a termination point for feeder cables to connect with drop cables in FTTX communication network systems. It integrates fiber splicing, splitting, distribution, storage, and cable connection in a single unit while providing robust protection and management for FTTX network infrastructure.

Key Features

- Total enclosed structure for maximum protection
- Constructed from ABS material: waterproof, dustproof, anti-aging, and ROHS compliant
- Combines feeder/drop cable clamping, fiber splicing, fixation, and storage in one unit
- Separate pathways for cables, pigtails, and patch cords to prevent interference
- Cassette-type SC adapter for easy installation and maintenance
- Flip-up distribution panel and cup-joint feeder cable placement for convenient access
- Wall-mounted or pole-mounted installation options for indoor/outdoor use

Applications

- Wall mounting and pole mounting installations
- FTTH pre-installation and field installation
- Compatible with 5-10mm cable ports for 2x3mm indoor [FTTH Drop Cable](#) and outdoor figure 8 FTTH self-supporting drop cable

Production Supplier Profile

ABOUT FIBER

Guangzhou fiber cablepuls co.,ltd

Fiber cablepuls is one of the high-tech fiber optic cable factories in China that can produce the most complete series of fiber optic cables, equipped with the most advanced fiber optic cable manufacturing, and have the most advanced fiber optic connector production and testing equipment in China.

The factory has obtained SGS ISO9001-2015, ISO14001-2004 and GB/T28001-2001 successively obtained international system certification.

Over the past 12 years, we have provided optical cable products and comprehensive solutions to more than 50 countries and regions around the world, and have received unanimous praise from customers, such as foreign telecom departments of the United States, Mexico Telecom, Thailand Telecom, Philippines Telecom, etc.; domestic customers include: China Mobile, the General Administration of Radio, Film and Television, Lenovo, and many other large national enterprises.
