16 Core FTTH Fiber Distribution Box with SC/LC/ST/FC Connectors

Our Product Introduction

for more products please visit us on fiberoptical-cables.com

Basic Information

- Place of Origin: GUANGZHOU/CHINA
- Brand Name: PUNAISGD/CABLEPULS
- Certification: ISO/CE/ROSH
- Model Number: Optical Fiber Terminal Box
- Minimum Order Quantity: 100pcs
- Price: negotiate
- Packaging Details: plastic
- Delivery Time: 5-25days
- Payment Terms: 30%TT as deposit,70%Balance before shipping.
- Supply Ability: 10000pcs

Product Specification

- Item No: Optical Fiber Terminal Box
- Fiber: 16 Cores
- Factory: Yes
- Stripper Material: Plastic
- Connector: SC/LC/ST/FC-based Connector
- Highlight: **Ftth Products Terminal Box**, **Fiber Distribution Box**, **8 Core Terminal Box**

Product Description

FTTH Products 8 Core Terminal Box / Fiber Distribution Box

Product Specifications

Item No	Optical Fiber Terminal Box
Fiber Capacity	16 cores
Factory	Yes
Stripper Material	Plastic
Connector Compatibility	SC/LC/ST/FC-based connector

Product Description

The **8 Core Terminal Box/Fiber Distribution Box** is designed for efficient fiber optic network management and distribution.

Applications

Data centers and premise installations

Telecommunication networks

Ethernet, Fibre Channel, ATM networks

LAN, MAN and WAN implementations

Indoor and outdoor applications

Box Configuration

The fully loaded configuration includes 1pc 1x8 splitter and 8pcs SC adapters, compatible with all types of fast connectors. Ample space is provided for fast connectors and drop cables.
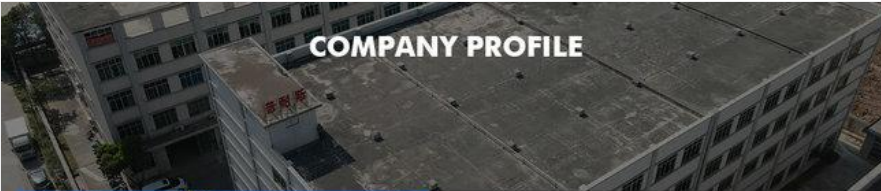

The adapter plate backside accommodates splitter installation, with steel tube fixation in splitter slots for secure routing. Features 6 sleeve slots with dual layer capacity for up to 12 cores maximum.

Key Features

Uncut port design for uninterrupted cable routing

Ideal for FTTH network applications

Hand-removable port seals for convenient side operation

Manufacturer Profile

COMPANY PROFILE

ABOUT FIBER
Guangzhou fiber cablepuls co.,ltd

Fiber cablepuls is one of the high-tech fiber optic cable factories in China that can produce the most complete series of fiber optic cables, equipped with the most advanced fiber optic cable manufacturing, and have the most advanced fiber optic connector production and testing equipment in China.
The factory has obtained SGS ISO9001-2015, ISO14001-2004 and GB/T28001-2001 successively obtained international system certification.
Over the past **12 years**, we have provided optical cable products and comprehensive solutions to more than 90 countries and regions around the world, and have received unanimous praise from customers. such as foreign telecom departments of the United States, Mexico Telecom, Thailand Telecom, Philippines Telecom, etc.; domestic customers include: China Mobile, the General Administration of Radio, Film and Television, Lenovo, and many other large national enterprises.
