Product Description

Ftth Products 8 Core Terminal Box/Fiber Distribution Box

Port Optical Splitter Box Application
Data centres, premise installations, telecommunication networks
Ethernet, Fibre Channel, ATM, LAN, MAN and WAN
Data communication and telecommunication networks
Indoor /outdoor applications

8 Port Optical Splitter Box Fully Load

The box fully load is 1pc 1x8 splitter and 8pcs SC adapters, it can use any kind of fast connectors, there is enough space for the fast connector and drop cables.

The back of the adapter plate is for splitter installation, the steel tube can fix in the slot of splitter, and then routing around, also there are 6slots for sleeve, dual layer can do 12cores maximum.

It is uncut port for cable go through the box without cutting, it is good choice for ftth network, and that why it is so popular now. The seals of all ports can be removed by hand, it's convenient to operate on side.

Production Supplier Profile

COMPANY PROFILE
